NOTICES

GOVERNMENT MOTIONS

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
18. *Mr Conway*—Resolution—That the Estimates of the Office of the Assembly and of the Office of the Chief Election Officer be considered in the Standing Committee on the Legislative Assembly for 3 hours each, the Estimates of the Office of the Ombudsman be considered in the Standing Committee on the Ombudsman for 3 hours and the Estimates of the Office of the Provincial Auditor be considered in the Standing Committee on Public Accounts for 3 hours; and that, notwithstanding any previous Order of the House, the Estimates of the Management Board of Cabinet be considered in the Committee of Supply for 4 hours, the Estimates of the Ministry of Government Services be considered in the Committee of Supply for 2 hours, the Estimates of the Ministry of Treasury and Economics be transferred from the Committee of Supply to the Standing Committee on Finance and Economic Affairs, and the Estimates of the Ministry of Housing be considered in the Committee of Supply for 13 hours. *November 22, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of “provincial interest” under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

(c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*

48. *Debated November 17, 1988.*

50. *Debated November 17, 1988.*

51. *Mr McClelland*—Resolution—That, in the opinion of this House, the Government of Ontario should establish a framework within which a working partnership can be initiated and maintained on an ongoing basis with non-governmental voluntary agencies involved in international relief and development. *November 9, 1988.*

52. *Mr Ballinger*—Resolution—That, in the opinion of this House, recognizing the Government of Canada's inability to effectively address the issue of refugee determination which has resulted in a backlog of 9,000 refugee claims in the Greater Toronto area alone; and recognizing that the federal policy is to refuse to issue work permits to refugee claimants which has the result of virtually forcing all of these claimants onto social assistance rolls, costing the Government of Ontario approximately \$35 million this year; and further recognizing that amending this policy would not negatively impact on the employment opportunities of Canadians and landed immigrants and would save the taxpayers money, given the present employment opportunities in Metropolitan Toronto and vicinity and the enthusiasm of claimants to work; therefore, the Government of Ontario should urge the Government of Canada to immediately amend its policy and issue temporary work permits until such time as the status of refugee claimants is determined. *November 22, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

(c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*

51. *Mr McClelland*—Resolution—That, in the opinion of this House, the Government of Ontario should establish a framework within which a working partnership can be initiated and maintained on an ongoing basis with non-governmental voluntary agencies involved in international relief and development. *November 9, 1988.*

52. *Mr Ballinger*—Resolution—That, in the opinion of this House, recognizing the Government of Canada's inability to effectively address the issue of refugee determination which has resulted in a backlog of 9,000 refugee claims in the Greater Toronto area alone; and recognizing that the federal policy is to refuse to issue work permits to refugee claimants which has the result of virtually forcing all of these claimants onto social assistance rolls, costing the Government of Ontario approximately \$35 million this year; and further recognizing that amending this policy would not negatively impact on the employment opportunities of Canadians and landed immigrants and would save the taxpayers money, given the present employment opportunities in Metropolitan Toronto and vicinity and the enthusiasm of claimants to work; therefore, the Government of Ontario should urge the Government of Canada to immediately amend its policy and issue temporary work permits until such time as the status of refugee claimants is determined. *November 22, 1988.*

(Precedence in accordance with the Standing Order 71 (d).)

Ballot Item No. 43—To be debated on Thursday, November 24, 1988.

Mr McClelland—Resolution—That, in the opinion of this House, the Government of Ontario should establish a framework within which a working partnership can be initiated and maintained on an ongoing basis with non-governmental voluntary agencies involved in international relief and development.

Ballot Item No. 44—To be debated on Thursday, November 24, 1988.

*Second Reading Bill 184, An Act to amend the Ontario Energy Board Act.
Mr Charlton.*

Ballot Item No. 45—To be debated on Thursday, December 1, 1988.

Mr Ballinger—Resolution—That, in the opinion of this House, recognizing the Government of Canada's inability to effectively address the issue of refugee determination which has resulted in a backlog of 9,000 refugee claims in the Greater Toronto area alone; and recognizing that the federal policy is to refuse to issue work permits to refugee claimants which has the result of virtually forcing all of these claimants onto social assistance rolls, costing the Government of Ontario approximately \$35 million this year; and further recognizing that amending this policy would not negatively impact on the employment opportunities of Canadians and landed immigrants and would save the taxpayers money, given the present employment opportunities in Metropolitan Toronto and vicinity and the enthusiasm of claimants to work; therefore, the Government of Ontario should urge the Government of Canada to immediately amend its policy and issue temporary work permits until such time as the status of refugee claimants is determined.

Ballot Item No. 46—To be debated on Thursday, December 1, 1988.

Mr Hampton—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario.

Ballot Item No. 47—To be debated on Thursday, December 8, 1988.

*Second Reading Bill 181, An Act to amend the Legislative Assembly Act.
Mr Epp.*

Ballot Item No. 48—*To be debated on Thursday, December 8, 1988.*

*Second Reading Bill 190, An Act to amend the Animals for Research Act.
Mr Wildman.*

NOTICES**GOVERNMENT MOTION**

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

(c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*

51. *Mr McClelland*—Resolution—That, in the opinion of this House, the Government of Ontario should establish a framework within which a working partnership can be initiated and maintained on an ongoing basis with non-governmental voluntary agencies involved in international relief and development. *November 9, 1988.*

52. *Mr Ballinger*—Resolution—That, in the opinion of this House, recognizing the Government of Canada's inability to effectively address the issue of refugee determination which has resulted in a backlog of 9,000 refugee claims in the Greater Toronto area alone; and recognizing that the federal policy is to refuse to issue work permits to refugee claimants which has the result of virtually forcing all of these claimants onto social assistance rolls, costing the Government of Ontario approximately \$35 million this year; and further recognizing that amending this policy would not negatively impact on the employment opportunities of Canadians and landed immigrants and would save the taxpayers money, given the present employment opportunities in Metropolitan Toronto and vicinity and the enthusiasm of claimants to work; therefore, the Government of Ontario should urge the Government of Canada to immediately amend its policy and issue temporary work permits until such time as the status of refugee claimants is determined. *November 22, 1988.*

NOTICES

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. December 15, 1987.

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. April 18, 1988.
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. May 9, 1988.
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. May 11, 1988.
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. May 19, 1988.
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*

51. *Debated November 24, 1988.*

52. *Mr Ballinger*—Resolution—That, in the opinion of this House, recognizing the Government of Canada's inability to effectively address the issue of refugee determination which has resulted in a backlog of 9,000 refugee claims in the Greater Toronto area alone; and recognizing that the federal policy is to refuse to issue work permits to refugee claimants which has the result of virtually forcing all of these claimants onto social assistance rolls, costing the Government of Ontario approximately \$35 million this year; and further recognizing that amending this policy would not negatively impact on the employment opportunities of Canadians and landed immigrants and would save the taxpayers money, given the present employment opportunities in Metropolitan Toronto and vicinity and the enthusiasm of claimants to work; therefore, the Government of Ontario should urge the Government of Canada to immediately amend its policy and issue temporary work permits until such time as the status of refugee claimants is determined. *November 22, 1988.*

PRIVATE MEMBERS' BUSINESS TO BE DEBATED

(Precedence in accordance with the Standing Order 71 (d).)

Ballot Items No. 43 and 44. *Debated November 24, 1988.*

Ballot Item No. 45—*To be debated on Thursday, December 1, 1988.*

Mr Ballinger—Resolution—That, in the opinion of this House, recognizing the Government of Canada's inability to effectively address the issue of refugee determination which has resulted in a backlog of 9,000 refugee claims in the Greater Toronto area alone; and recognizing that the federal policy is to refuse to issue work permits to refugee claimants which has the result of virtually forcing all of these claimants onto social assistance rolls, costing the Government of Ontario approximately \$35 million this year; and further recognizing that amending this policy would not negatively impact on the employment opportunities of Canadians and landed immigrants and would save the taxpayers money, given the present employment opportunities in Metropolitan Toronto and vicinity and the enthusiasm of claimants to work; therefore, the Government of Ontario should urge the Government of Canada to immediately amend its policy and issue temporary work permits until such time as the status of refugee claimants is determined.

Ballot Item No. 46—*To be debated on Thursday, December 1, 1988.*

Mr Hampton—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario.

NOTICES

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*

39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

(c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the lessee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*

52. *Mr Ballinger*—Resolution—That, in the opinion of this House, recognizing the Government of Canada's inability to effectively address the issue of refugee determination which has resulted in a backlog of 9,000 refugee claims in the Greater Toronto area alone; and recognizing that the federal policy is to refuse to issue work permits to refugee claimants which has the result of virtually forcing all of these claimants onto social assistance rolls, costing the Government of Ontario approximately \$35 million this year; and further recognizing that amending this policy would not negatively impact on the employment opportunities of Canadians and landed immigrants and would save the taxpayers money, given the present employment opportunities in Metropolitan Toronto and vicinity and the enthusiasm of claimants to work; therefore, the Government of Ontario should urge the Government of Canada to immediately amend its policy and issue temporary work permits until such time as the status of refugee claimants is determined. *November 22, 1988.*

QUESTIONS

(Questions are to appear on the day after they are tabled and on every subsequent day in the week they are tabled and then subsequently only on each Monday until an Answer (other than an Interim Answer) is tabled. A question tabled on a Thursday will appear on each day of the following week.)

395. *Mr McLean*—Enquiry of the Ministry—Would the Minister of Government Services provide the dates the Assets Disposal Services conducted public auctions in Orillia, as well as cash and carry and tender sessions in that city. Would the Minister also list the amount of money raised by these auctions and sessions and list the names of the charitable organizations that took advantage of these events. *November 29, 1988.*

NOTICES

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

(c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*

52. *Mr Ballinger*—Resolution—That, in the opinion of this House, recognizing the Government of Canada's inability to effectively address the issue of refugee determination which has resulted in a backlog of 9,000 refugee claims in the Greater Toronto area alone; and recognizing that the federal policy is to refuse to issue work permits to refugee claimants which has the result of virtually forcing all of these claimants onto social assistance rolls, costing the Government of Ontario approximately \$35 million this year; and further recognizing that amending this policy would not negatively impact on the employment opportunities of Canadians and landed immigrants and would save the taxpayers money, given the present employment opportunities in Metropolitan Toronto and vicinity and the enthusiasm of claimants to work; therefore, the Government of Ontario should urge the Government of Canada to immediately amend its policy and issue temporary work permits until such time as the status of refugee claimants is determined. *November 22, 1988.*

QUESTIONS

(Questions are to appear on the day after they are tabled and on every subsequent day in the week they are tabled and then subsequently only on each Monday until an Answer (other than an Interim Answer) is tabled. A question tabled on a Thursday will appear on each day of the following week.)

395. *Mr McLean—Enquiry of the Ministry—Would the Minister of Government Services provide the dates the Assets Disposal Services conducted public auctions in Orillia, as well as cash and carry and tender sessions in that city. Would the Minister also list the amount of money raised by these auctions and sessions and list the names of the charitable organizations that took advantage of these events. November 29, 1988.*

NOTICES

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. December 15, 1987.

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. April 18, 1988.
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. May 9, 1988.
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. May 11, 1988.
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. May 19, 1988.
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

- (c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

47. *Mr Hampton*—Resolution—That, in the opinion of this House, recognizing that the mail service in the communities such as Fort Frances and Kenora and many smaller rural communities of Northwestern Ontario will deteriorate due to the fact that the sorting of the mail will no longer take place in these communities, but instead be moved to a central facility, the Government of Ontario should condemn Canada Post for this action, and the failure to recognize the importance of quality mail service for the rural communities and small towns of Northwestern Ontario, and the Government of Ontario should urge the Government of Canada to halt immediately these plans to cut service and to maintain and improve rural postal services across Ontario. *October 24, 1988.*

52. *Mr Ballinger*—Resolution—That, in the opinion of this House, recognizing the Government of Canada's inability to effectively address the issue of refugee determination which has resulted in a backlog of 9,000 refugee claims in the Greater Toronto area alone; and recognizing that the federal policy is to refuse to issue work permits to refugee claimants which has the result of virtually forcing all of these claimants onto social assistance rolls, costing the Government of Ontario approximately \$35 million this year; and further recognizing that amending this policy would not negatively impact on the employment opportunities of Canadians and landed immigrants and would save the taxpayers money, given the present employment opportunities in Metropolitan Toronto and vicinity and the enthusiasm of claimants to work; therefore, the Government of Ontario should urge the Government of Canada to immediately amend its policy and issue temporary work permits until such time as the status of refugee claimants is determined. *November 22, 1988.*

QUESTIONS

(Questions are to appear on the day after they are tabled and on every subsequent day in the week they are tabled and then subsequently only on each Monday until an Answer (other than an Interim Answer) is tabled. A question tabled on a Thursday will appear on each day of the following week.)

395. *Mr McLean*—Enquiry of the Ministry—Would the Minister of Government Services provide the dates the Assets Disposal Services conducted public auctions in Orillia, as well as cash and carry and tender sessions in that city. Would the Minister also list the amount of money raised by these auctions and sessions and list the names of the charitable organizations that took advantage of these events. *November 29, 1988.*

NOTICES

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

(c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

47. *Debated December 1, 1988.*

52. *Debated December 1, 1988.*

NOTICES

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative. Bill C-51, the *Tobacco Products Control Act*. An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*

39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

(c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

QUESTIONS

(Questions are to appear on the day after they are tabled and on every subsequent day in the week they are tabled and then subsequently only on each Monday until an Answer (other than an Interim Answer) is tabled. A question tabled on a Thursday will appear on each day of the following week.)

396. *Mrs Grier*—Enquiry of the Ministry—Would the Minister of Transportation provide the estimated cost of the Noise Barriers, on the Queen Elizabeth Way—Contract #88-52, project. Also what was the predicted noise attenuation as a result of the erection of barriers in this location. When combined steel and aluminum sound absorptive barriers were added to the Ministry's "Designated Sources List" what acoustical analysis was done. How does the noise attenuation achieved by these barriers compare to that obtained using concrete barriers. *December 5, 1988.*

NOTICES

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. December 15, 1987.

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. April 18, 1988.
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. May 9, 1988.
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. May 11, 1988.
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. May 19, 1988.
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

(c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

QUESTIONS

(Questions are to appear on the day after they are tabled and on every subsequent day in the week they are tabled and then subsequently only on each Monday until an Answer (other than an Interim Answer) is tabled. A question tabled on a Thursday will appear on each day of the following week.)

396. *Mrs Grier*—Enquiry of the Ministry—Would the Minister of Transportation provide the estimated cost of the Noise Barriers, on the Queen Elizabeth Way—Contract #88-52, project. Also what was the predicted noise attenuation as a result of the erection of barriers in this location. When combined steel and aluminum sound absorptive barriers were added to the Ministry's "Designated Sources List" what acoustical analysis was done. How does the noise attenuation achieved by these barriers compare to that obtained using concrete barriers. December 5, 1988.

NOTICES

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. December 15, 1987.

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. April 18, 1988.
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. May 9, 1988.
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. May 11, 1988.
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. May 19, 1988.
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

(c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

QUESTIONS

(Questions are to appear on the day after they are tabled and on every subsequent day in the week they are tabled and then subsequently only on each Monday until an Answer (other than an Interim Answer) is tabled. A question tabled on a Thursday will appear on each day of the following week.)

396. *Mrs Grier*—Enquiry of the Ministry—Would the Minister of Transportation provide the estimated cost of the Noise Barriers, on the Queen Elizabeth Way—Contract #88-52, project. Also what was the predicted noise attenuation as a result of the erection of barriers in this location. When combined steel and aluminium sound absorptive barriers were added to the Ministry's "Designated Sources List" what acoustical analysis was done. How does the noise attenuation achieved by these barriers compare to that obtained using concrete barriers. *December 5, 1988.*
397. *Mr McLean*—Enquiry of the Ministry—Would the Solicitor General provide the number of Ontario Provincial Police that were brought in to reinforce the local OPP detachment during the blockade of the Red Squirrel Road near Temagami and the cost (salaries, transportation, etc.) for bringing in these additional police officers. *December 8, 1988.*

NOTICES

GOVERNMENT MOTIONS

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
19. *Mr Nixon* (Brant-Haldimand)—Resolution—That the Treasurer of Ontario be authorized to pay the salaries of the civil servants and other necessary payments pending the voting of supply for the period commencing January 1, 1989, and ending March 31, 1989, such payments to be charged to the proper appropriation following the voting of supply. *December 12, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

(c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

NOTICES

GOVERNMENT MOTIONS

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*
19. *Mr Nixon* (Brant-Haldimand)—Resolution—That the Treasurer of Ontario be authorized to pay the salaries of the civil servants and other necessary payments pending the voting of supply for the period commencing January 1, 1989, and ending March 31, 1989, such payments to be charged to the proper appropriation following the voting of supply. *December 12, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act. 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

(c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves—Resolution*—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

QUESTIONS

(Questions are to appear on the day after they are tabled and on every subsequent day in the week they are tabled and then subsequently only on each Monday until an Answer (other than an Interim Answer) is tabled. A question tabled on a Thursday will appear on each day of the following week.)

397. *Mr McLean—Enquiry of the Ministry—Would the Solicitor General provide the number of Ontario Provincial Police that were brought in to reinforce the local OPP detachment during the blockade of the Red Squirrel Road near Temagami and the cost (salaries, transportation, etc.) for bringing in these additional police officers. December 8, 1988.*

19. *Debated December 13, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*, An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. December 15, 1987.

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. April 18, 1988.
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. May 9, 1988.
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. May 11, 1988.
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. May 19, 1988.
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;

(c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*
42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*
45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*
53. *Mr McGuinty*—Resolution—That, in the opinion of this House, the positive initiatives of the Government of Ontario since May 1985 regarding Eastern Ontario Economic Development be commended and supported and that the Government of Ontario be urged to continue this new higher level of support and encourage the Government of Canada to support these efforts. *December 14, 1988.*

QUESTIONS

(Questions are to appear on the day after they are tabled and on every subsequent day in the week they are tabled and then subsequently only on each Monday until an Answer (other than an Interim Answer) is tabled. A question tabled on a Thursday will appear on each day of the following week.)

397. *Mr McLean—Enquiry of the Ministry—Would the Solicitor General provide the number of Ontario Provincial Police that were brought in to reinforce the local OPP detachment during the blockade of the Red Squirrel Road near Temagami and the cost (salaries, transportation, etc.) for bringing in these additional police officers. December 8, 1988.*

PRIVATE MEMBERS' BUSINESS TO BE DEBATED

NOTICES

GOVERNMENT MOTION

11. *Debated April 25, 26, 27, 28; May 4, 5, 9, 19, 30; and June 2, 1988.*

PRIVATE MEMBERS' MOTIONS

1. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that huge rent increases year after year are constituting a threat to the competitiveness and survival of retail business in commercial strips serving residential neighbourhoods, the Government of Ontario should introduce legislation as soon as possible to regulate the rents for such business establishments in order to provide those businesses with protection from gouging landlords comparable to the protection given to tenants of residential rental premises under the Residential Rent Regulation Act, 1986. *November 10, 1987.*
2. *Ms Bryden*—Resolution—That, in the opinion of this House, recognizing that part-time workers in both the public and private sector are discriminated against by the denial of many benefits and rights provided to other workers in the same establishment, a charter of rights for part-time workers should be added to both the Employment Standards Act and the Labour Relations Act to provide pro rata benefits and collective bargaining rights to such workers and that they be made eligible for severance pay and retraining and readjustment programs provided for other workers displaced by technological change in the same establishment. *November 10, 1987.*
4. *Mr Morin-Strom*—Resolution—That, in the opinion of this House, recognizing the importance of the TransCanada Highway to our nation and to our province, the government of Ontario should upgrade the TransCanada Highway to a modern four-lane system through Northern Ontario to the Manitoba border, and that the government should immediately commence design and schedule construction to ensure completion across Northern Ontario by 1997. *November 18, 1987.*
9. *Mr Wildman*—Resolution—That, in the opinion of this House, the plans of the Canada Post Corporation to close, amalgamate or franchise many rural post offices and to eliminate or tender rural route services in order to reduce its operating deficit would reduce essential mail services from many rural Ontario communities, causing severe hardship and inconvenience to rural Ontarians, particularly the elderly and disabled; the Government of Ontario should urge the Government of Canada to halt, immediately, these plans to cut service and maintain and improve rural postal services across Ontario. *December 8, 1987.*
12. *Mr Runciman*—Resolution—That, in the opinion of this House, recognizing that there have been twenty-eight bank branch closures across Ontario between 1982 and 1986 which have left many small communities without adequate banking services, the Government of Ontario should review all requests for satellite banking services and establish Province of Ontario Savings Offices in those areas where population levels demonstrate a need for them and where financial benefit can be determined. *December 15, 1987.*
13. *Mr Sterling*—Resolution—That, in the opinion of this House, recognizing the devastating and lethal impact of tobacco on the health of our citizenry, and

recognizing the tobacco industry's attempt to advertise in a manner designed to undermine the health warnings of its hazardous product, the Government of Ontario should pursue every opportunity to express its support for the Federal Government's initiative, Bill C-51, the *Tobacco Products Control Act*. An Act to prohibit the advertising and promotion and respecting the labelling and monitoring of tobacco products. *December 15, 1987.*

23. *Mr Runciman*—Resolution—That, in the opinion of this House, the Premier of Ontario should institute a system whereby any supplementary appropriations approved by Management Board of Cabinet are referred within 15 days of approval to the Standing Committee on Public Accounts for its consideration. *April 18, 1988.*
28. *Mrs Marland*—Resolution—That, in the opinion of this House, the government's MISA program, which only covers companies dumping industrial effluent directly into the province's waterways, should be extended to now include the additional 97.5 per cent of water polluters in this province that are dumping into the province's municipal sewer systems. *May 9, 1988.*
30. *Mrs Marland*—Resolution—That, in the opinion of this House, the Government of Ontario should designate municipal waste disposal as a matter of "provincial interest" under Section 2 of the Planning Act, 1983; and that the Government should establish regional waste management councils for the purpose of co-ordinating regional waste management strategies and assisting Municipalities in dealing, on a long-term and co-operative basis, with the current municipal waste management crisis in Ontario. *May 11, 1988.*
35. *Mr Brandt*—Resolution—That, in the opinion of this House, this Legislature should pay special tribute to the Armenian people of Ontario on the 100th anniversary of their arrival in Canada and the 70th anniversary of the Armenian republic; and this Legislature, on behalf of the people of Ontario, applauds the unique contribution of the Armenian community to the multicultural fabric of our society; furthermore, this Legislature respectfully remembers the thousands of Armenians killed at the beginning of this century and the suffering experienced by the Armenian people as a result of this atrocity. *May 19, 1988.*
36. *Mr Jackson*—Resolution—That the Standing Committee on Social Development be directed to consider and report to the House by November 30, 1988 on the problem of sexual assault in the province;

That the committee shall conduct its inquiry in three phases:

- a) In the first phase, to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;

- b) In the second phase, to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and/or volunteer groups and organizations which provide services to the victims of sexual assault;
- c) And in the third phase, to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon the resumption of meetings of the House, the chairman of the committee shall bring such reports before the House in accordance with the Standing Orders;

That the committee have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee shall have authority to adjourn from place to place in Ontario, and a full Hansard service shall be provided for the committee. *May 25, 1988.*

38. *Mr Runciman*—Resolution—That, in the opinion of this House, the Government should introduce legislation applying guidelines similar to the cabinet conflict of interest guidelines and that this legislation should be applicable to senior civil servants. *May 26, 1988.*
39. *Mr Jackson*—Resolution—That, in the opinion of this House, the Standing Committee on Social Development or some other committee should be directed to consider and report to the House on the problem of sexual assault in the province;

That, working with the Ontario Women's Directorate, the committee should conduct its inquiry in three subject areas:

- (a) to the extent that it is possible to do so within the bounds of provincial jurisdiction, to consider the attitude of the courts, legal institutions and law enforcement agencies toward sexual assault, and their treatment of its victims, and in particular to consider the attitude exhibited, statements made and sentences imposed by judges during sexual assault trials;
- (b) to consider the provision of counselling, support, crisis intervention and other services to the victims of sexual assault, and in particular to consider the funding needs and other needs of non-profit and or volunteer groups and organizations which provide services to the victims of sexual assault;

(c) to consider the causes of sexual assault and the prevention thereof, and to consider any other issues related to sexual assault which the committee may deem relevant or wish to consider;

That the committee should have the authority to release its reports during any adjournment or recess between sessions by depositing a copy of the report with the Clerk of the Assembly and upon resumption of meetings of the House, the chairman of the committee should bring such reports before the House in accordance with the Standing Orders;

That the committee should have the authority to sit concurrently with the House and during any adjournment or recess of the House, subject to the approval of the three party House leaders;

And that while the committee is engaged in consideration of the problem of sexual assault in the province, the committee should have authority to adjourn from place to place in Ontario, and a full Hansard service should be provided for the committee. *June 8, 1988.*

41. *Mr McGuigan*—Resolution—That, in the opinion of this House, the Minister of Agriculture and Food should develop a lease form for voluntary use by owners and renters of farm land that would give credits to the leasor for leasor financed long-term conservation measures which, when totalled at the end of the lease period, would recompense the leasee for the residual value of the improvements to the land owned or controlled by the leasor and which would, at the end of the lease period, recompense the leasor for the deterioration or damage due to faulty tillage and farming practices to the land owned or controlled by the leasor; and that the Minister should provide personnel to act as evaluators and arbitrators in the event that disputes over the residual value of the soil building and conservation measures develop at the time of termination of the lease and in the event that arbitration fails, the Minister should provide expert witnesses when such disputes are taken to a court of civil law for settlement and that the Minister, as a long-term policy, should advertise, promote and encourage the use of such lease agreements in the Province of Ontario. *June 27, 1988.*

42. *Mr Jackson*—Resolution—That, in the opinion of this House, the Minister of Municipal Affairs shall ensure that for the 7 (seven) weekdays preceding the last day for filing applications for revision of the preliminary elector list for the November municipal elections, a municipal elections enumeration officer is posted in a conspicuous location at each community college, university and polytechnical institution in Ontario for the purpose of enumerating students for the municipal elections. *October 17, 1988.*

45. *Mr Offer*—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro/Southeast Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10. *October 18, 1988.*

46. *Mr Eves*—Resolution—That, in the opinion of this House, recognizing that the tragic death of Lester Donaldson this past summer has once again brought into question the issue of race relations and the criminal justice system, and recognizing that this issue was previously dealt with following the tragic death of Albert Johnson several years ago, and recognizing the importance of both equality before the law and the public perception of equality before the law, the Attorney General immediately should refer the issue of race relations and the criminal justice system to the Standing Committee on Administration of Justice for public hearings, review and recommendations. *October 18, 1988.*

53. *Mr McGuinty*—Resolution—That, in the opinion of this House, the positive initiatives of the Government of Ontario since May 1985 regarding Eastern Ontario Economic Development be commended and supported and that the Government of Ontario be urged to continue this new higher level of support and encourage the Government of Canada to support these efforts. *December 14, 1988.*

54. *Mr Morin*—Resolution—That, in the opinion of this House, the Government of Ontario, the municipalities and the banking institutions should enter into an agreement whereby recipients of welfare and social assistance cheques are provided with identification cards that would give them easy access to banking services without having to resort to using cheque cashing services for a percentage fee. *December 15, 1988.*

QUESTIONS

(Questions are to appear on the day after they are tabled and on every subsequent day in the week they are tabled and then subsequently only on each Monday until an Answer (other than an Interim Answer) is tabled. A question tabled on a Thursday will appear on each day of the following week.)

397. *Mr McLean*—Enquiry of the Ministry—Would the Solicitor General provide the number of Ontario Provincial Police that were brought in to reinforce the local OPP detachment during the blockade of the Red Squirrel Road near Temagami and the cost (salaries, transportation, etc.) for bringing in these additional police officers. December 8, 1988.

PRIVATE MEMBERS' BUSINESS TO BE DEBATED

(Precedence in accordance with the Standing Order 71 (d).)

Ballot Item No. 49—To be debated today.

Mr Offer—Resolution—That, in the opinion of this House, recognizing the rapid and continuing growth in Peel Region in the residential, commercial and industrial sectors and further recognizing the existence of a very busy international airport in Peel, the location of Peel between Hamilton/U.S.A. and Metro South-east Ontario and the significant increase in the number of medium and heavy trucks in Peel, this Legislature strongly urges the Minister of Transportation to direct the continuation of Highway 407 westward from Highway 427 to Highway 10.
